Sir:

In compliance with Rules 1.97 and 1.98, and in fulfillment of the duty of disclosure under Rule 1.56, the accompanying documents, copies of which are attached to this statement, are made of record on the enclosed Form PTO-1449.

A concise explanation of the relevance of these items is that these references were cited by the Swedish Patent Office in the corresponding International Application Serial No. PCT/SE 02/01024, filed May 29, 2002. A copy of the International Search Report and International Preliminary Examination Report in which they were cited is attached hereto.

Respectfully submitted,

YOUNG & THOMPSON
